Jessica Tegt, Utah State University, Logan, Utah

John M. Tomeček, Texas A&M University, College Station, Texas

Desley Whisson, Deakin University, Burwood, Victoria, Australia

**Journal Subject Area:** *Human-Wildlife Interactions* publishes manuscripts on all aspects of human-wildlife interactions, particularly research articles in the areas of wildlife management, wildlife ecology, management applications, economics, and human dimensions. Additionally, we encourage brief articles in the categories of letters to the editor, opinion pieces, point-counterpoint articles, policy issues, and notes on research and new techniques.

**How to Submit Manuscripts:** Submit manuscripts online at [digitalcommons.usu.edu/hwi](http://digitalcommons.usu.edu/hwi). The policy of *HWI* requires authors to cover page charges of \$100 per published page (about 2.5 double-spaced manuscript pages comprise a published page). These charges allow *HWI* to operate. Detailed submission guidelines are available on the submission website.

**Who Should Submit Manuscripts:** Anyone is welcome to submit a manuscript, particularly those working in operations or with practical field experience in wildlife management. View article categories and submit manuscripts at [digitalcommons.usu.edu/hwi](http://digitalcommons.usu.edu/hwi). Email [hwi@usu.edu](mailto:hwi@usu.edu) with inquiries about manuscript scope or the submission process.

**Subscriptions:** *Human-Wildlife Interactions* is an open access journal. We no longer print hard copies. Printed back issues may be available and can be purchased for \$10 each (domestic) or \$20 each (foreign). Inquire about the availability of a printed back issue by contacting Rae Ann Hart at [raeann.hart@usu.edu](mailto:raeann.hart@usu.edu).

**Advertisements:** *Human-Wildlife Interactions* accepts digital advertisements. For advertising specifications, contact [hwi@usu.edu](mailto:hwi@usu.edu).

Articles appearing in *Human-Wildlife Interactions* are included in the following research indexes: *Animal Behavior Abstracts*, *Aquatic Sciences and Fisheries Abstracts*, *Biological Abstracts*, *BIOSIS Previews*, *Current Contents*, *EBSCO*, *Ecology Abstracts*, *SCOPUS*, *Science Citation Index Expanded*, *Thomson Reuters' Journal Citation Reports*, *Web of Science*, *Web of Knowledge*, *Wildlife and Ecology Studies Worldwide*, *Wildlife Review Abstracts*, *Wilson's Biological and Agricultural Index*, and *Zoological Record*.
